

December 2024

MERRY CHRISTMAS

[www.1020mg.org.uk](http://www.1020mg.org.uk)

# Chairman's Chat - December 2024

**Sunday 10 August** is going to be the most important day in the club's 2025 calendar - this is when we will be hosting our annual **Garden Party and Picnic at Athelhampton House** - put the date in your diary now.

The event returns to our more familiar early August timing and has been chosen by the committee as the venue is available on the Saturday for setting-up our various event shelters.

The format on the day will remain the same as recent years and the working group overseeing the event will be looking for club members to volunteer their help with various jobs being allocated closer to the day.

We hope to have several guest car clubs joining us to boost the diversity of vehicles on show as well as our regular range of fund raising stalls. More details next year.

## CAR SHOWS 2025

Besides Athelhampton, the committee is already looking at various local and regional shows and events that we can attend as a club - a provisional list of events can be found elsewhere in this newsletter so check them out and take note of the dates.

For the coming show season we are concentrating on events that are more diverse than just being a car show and almost all of them will feature free entry.

If you know of a show coming up in 2025 that you think fellow club members might enjoy attending, please let me know.

## WEEKENDS AWAY

Following the success of the 1020 group participating in this year's Cotswold Caper, Adrian Mullins has outline plans for another weekend away (later in the year) to co-incide with a regional MGOC event - this is in addition to club members participating in the big regional MGOC gathering at Cricket St Thomas in May.

He will be revealing details at the December club night.

## WINTER RUN

Our first quarterly seasonal road run takes place on Sunday 16 February and includes a roast lunch at the St Peter's Finger at Lytchett Minster (entry forms available now) - my thanks to new club member Alistair Reid for volunteering to organise the road run element.

The fresh blood we introduced to the committee at the October AGM is already paying dividends.

## ANNUAL SUBS

The committee has decided to hold the annual club membership fee at £10 for the coming year (one of the few things in life not costing more) - hopefully everyone agrees it is great value for the events and activities that we are able to offer members each year.

Treasurer Ursula Bonner will be taking your £10 at this month's club night and Membership Secretary Patricia Lodge will be handing out your 2025 membership cards.

## FINALLY

Can I be among the first to wish you a Happy Christmas, there will be plenty of opportunities to celebrate with club members this month starting with our December club night featuring festive music from the Flaming Ukes and then 61 of us will be sitting down to a traditional roast lunch (with Christmas Pudding and crackers) at the Bridge House Hotel on Sunday 08 December.

## 1020 Management Committee - 2024 / 2025

**Area Secretary / Newsletter Editor** - Chris Adamson

**Committee Member** - Alistair Reid - [alistair@1020mg.org.uk](mailto:alistair@1020mg.org.uk)

# Flaming Ukes and warm mince pies

If you thought that playing the ukulele had died out with George Formby then you are in for a pleasant surprise at this month's club night on Monday 02 December.

Our seasonal entertainment will be provided by the local Flaming Ukes group who have promised us some festive tunes and favourite standards to lead us into the Christmas period.

For those who have never heard of a ukulele before, it is a four-stringed small guitar originally popularised in Hawaii where its name translates as 'jumping flea'. In recent years, ukulele playing has seen a huge surge in popularity with many new groups being formed in the UK.

As well as the seasonal musical interlude, there will be the traditional warm mince pies for everyone - so that's well worth coming along for.

As usual there will be the monthly raffle (items always welcome), this time it will be a bumper Christmas special with all the proceeds going to the Salvation Army Toy Appeal.

You can also make cash donations to this very worthy cause - a collection box will be on the table.

A reminder that at the meeting you can sign-up for the Winter Road Run and Pub Lunch, a great way to start the new year and also pay your 2025 annual subscription fee.

---

## Book now for the 2025 Winter Road Run

Places can now be booked for the first 1020 seasonal road run of the coming new year - the Winter Road Run and Pub Lunch on Sunday 16 February 2025.

The route (which should take under two hours to complete) has been devised by new committee member Alistair Reid and starts, as usual, at Hamworthy Sports Club and will finish locally at the St Peter's Finger pub at Lytchett Minster for a pre-booked Sunday roast.

Entry for the run (which includes a route book and rally plaque) is £5 per car and all its occupants. For those who want to join us for lunch at the finish there is a £10 per head meal deposit which will be refunded in cash on the day.

The pub is offering a choice of roasts: beef (£19.25), chicken (£18.25) and pork (£18.25) with a vegetarian alternative. Desserts can be selected on the day. The full cost of the meal (mains, desserts and drinks) is payable direct to the pub.

Entry forms will be available at the December, January and February club nights from either Adrian Mullins or Pip Bonner - alternatively, a form can be obtained by emailing Pip at [pip@1020mg.org.uk](mailto:pip@1020mg.org.uk) - a form also appears on the diary page entry for the event on the 1020 website.

Completed forms should be returned to Pip Bonner and payments made to Ursula Bonner (payment details are on the entry form).

The closing date for entries is Monday 03 February - any cancellations after this date will result in the loss of the meal deposit as we must confirm numbers and food choices with the pub the following day.

If the weather is inclement, MGs are not compulsory so keep your classic MG in the warm and dry and bring an ordinary road car - it should still be a fun day.

---

## Annual membership subs now due

The annual membership subscription fee is now due for all 1020 club members - the committee has decided to hold the amount at £10 per household for the coming year - all subscriptions (no matter when you joined the club) are due in January 2025.

Treasurer Ursula Bonner will be taking your £10 from the December meeting onwards (cash or credit card payments please) and Membership Secretary Patricia Lodge will be handing out the 2025 membership cards which have once again been kindly sponsored by Phoenix Classic Cars.

The membership fee provides everyone with an electronic version of the monthly club newsletter while the membership card can be used to obtain various discounts at our trade partners.

A round robin email will be going out to remind everyone and to tell them how to pay by bank transfer if they are unable to make a meeting - alternatively, you can contact Ursula for the bank details on email [ursula@1020mg.org.uk](mailto:ursula@1020mg.org.uk)

An additional £1 is charged if you need your membership card sent in the post.

# Salvation Army Toy Drive

Proceeds from the December club night monthly raffle and the Christmas Lunch Hamper Draw will help to brighten-up the faces of young children on Christmas morning as all the money is going to the local Salvation Army Christmas Appeal.

In addition, there will be a donations box (at the December meeting) for personal cash donations to the collection - this replaces the pre-Covid collection of items of clothing, food and toiletries. In the past we have been able to give £800 to the appeal and we hope to match that figure in 2024.

This year the Salvation Army appeal is collecting money to provide toys and gifts for disadvantaged children across the Bournemouth, Christchurch and Poole conurbation.

The recipients are selected by referrals from social services, health visitors and school welfare officers, as well as children the Salvation Army is in contact with throughout the year.

Last year they gave in the region of 5,000 toys.

## Cricket St Thomas Convoy Run

For those club members who are planning to attend the big regional MGOC weekend gathering at the Warner's Cricket St Thomas hotel in May (see full page advert in this newsletter) we will be organising a club convoy run on the Friday from Hamworthy Sports Club to Cricket St Thomas with a lunch stop.

Full details on the road run will be announced shortly so keep reading future issues of this newsletter.

If you have booked in for the Cricket St Thomas event (remember booking deposits are required by 20 February 2025) let Pip Bonner know if you would like to be included on the convoy run and lunch.

## Another 1020 Weekender being planned

Following the success of this year's club long-weekender to take part in the Gloucestershire MGOC Cotswold Caper, Adrian Mullins has volunteered to organise a similar outing to another regional MG club event in 2025.

Adrian will be announcing the proposed destination, programme and rough costings at the December club night.

Should there be sufficient interest at this meeting (show of hands please), full details will be announced in the January newsletter and on the 1020 website.

## Show time in 2025 for club members

The committee has selected a number of local shows and events at which they would like to have an official club stand in 2025 - they are listed below.

Full details on each event will be available next year and details on how you can take part - but for the time being put the dates in your 2025 diary if you think you will be interested in joining us on the club stand.

**Saturday 14 June - Macmillan Caring Locally Summer Fete**  
(free admission - limited places)

**Saturday 21 June - Ferndown Fete on the Field**  
(free admission)

**Sunday 06 July - Broadstone Fun Day**  
(free admission for classic cars)

**Saturday 12 July - Westival 2025, West Moors**  
(free admission)

**Saturday 20 September - Westbourne Motor Show**  
(we are hoping to be invited to take part)

Also possible visit: **Saturday / Sunday 21-22 June - MGOC Championships, Thruxton Circuit**

# Strong arm tactics at club night

Club members learnt some useful self-defence tips last month when the Bournemouth Shorinji Kempo Club provided an entertaining and information packed martial arts demonstration.

The primary piece of advice was where possible to avoid entering a dangerous situation but if not then Ian Hart, Branch Master of the club demonstrated some simple manoeuvres using the momentum of an assailant to overpower them.

Ian explained that Shorinji Kempo (the most popular form of martial art in Japan) is designed to respond to an attack not to initiate one and combines elements of meditation and understanding how the human body works.

He and his students (many of them black belt masters) then ran through warm-up exercises and basic moves and techniques before explaining in slow motion how to defend yourself against an assailant.

Club members were invited to take part and learn some useful techniques including how to attempt to disarm an attacker with a knife.

# Solent MGOC day at Stansted Park

Our south coast neighbours at Solent MGOC have announced that their annual event at Stansted Park, Rowlands Castle near Portsmouth will take place on Sunday 18 May 2025.

The day brings together MG owners from across the region and includes tours of the gardens and house and a garden centre.

There is no need to book in advance - it's turn-up and pay on the day at the gate.

Full details will appear in the MGOC national magazine Enjoying MG from February onwards.

# Flying high on 1020 coach trip

A packed coach of club members and guests made the 90-minute journey last month to visit the Fleet Air Arm Museum at Yeovilton in Somerset.

The location is home to the National Museum of the Royal Navy housing aircraft (including numerous helicopters) dating back over 100 years to 1909, from turn of the century cloth and string biplanes to modern jet aircraft that have seen battle in the Falklands and Iraq.

Participants were able to tour the four exhibition halls at leisure studying over 90 aircraft, among them a Short Type 184 the only British aeroplane to take part in the Battle of Jutland in 1916, a 1916 Sopwith Pup (replica), a WW2 Supermarine Seafire, a Hawker Sea Fury, a Westland Dragonfly, a de Havilland Sea Vixen, McDonnell Douglas Phantom, a Hawker Siddeley Buccaneer and a BAe Sea Harrier.

Many took the opportunity to walk through and view the cockpit of the first British Concorde (002) which made a total of 439 test flights and flew supersonic for 173 hours - it is probably the most iconic exhibit in the museum even if not strictly Naval.

Even more time had to be taken to tour the award-winning Aircraft Carrier Experience which shows (with animated videos) the numerous operational centres of an aircraft carrier.

# Cobweb Spin and 1020 Spring Road Run

Booking has gone live for the Winchester MGOC 2025 Cobweb Spin which is being integrated at the end of our 1020 Spring Road Run which takes place on Sunday 27 April, National Drive It Day.

Venue for the Cobweb Spin is the Verwood Heavy Horse Farm and pre-booked attendees (£14 per person) can turn-up there at the conclusion of our road run which will start at Phoenix Classic Cars (celebrating 25 years in business) and finishing at Potterne Park, Verwood.

An advert for the Winchester event appears at the bottom of this page, details can also be found non the 1020 website or they can be viewed on the Winchester MGOC website: [www.winchestermgoc.com](http://www.winchestermgoc.com)

Entry forms (with payment details) and more information can be obtained from Winchester Area Secretary Steve Favell at email: [secretary@winchestermgoc.com](mailto:secretary@winchestermgoc.com)

Closing date for the Cobweb Spin at the Heavy Horse Farm is Sunday 23 March.

Full details and entry forms for the 1020 Spring Road Run will be available in March.

## MG and Triumph Spares Day

Classic MG owners on the hunt for spare parts and accessories will be heading north early in the new year on Sunday 09 February 2025 for the annual MG and Triumph Spares Day.

The annual show takes place at Stoneleigh Park in Warwickshire (doors open from 9.30am to 4pm).

Enthusiasts can explore a wealth of traders, jumbles and service providers.

They will be showcasing their wares, meet like-minded hobbyists and pick up advice, hints and tips from the people who know the ins and outs of these marques.

Alongside the trade stands will be some of the UK's largest MG and Triumph car clubs exhibiting their members' restored machines, or displaying interesting projects still a way from completion.

In recent years, both trade and club exhibitors have had live restoration and maintenance tasks taking place on their stands, with next year promising even more action.

Tickets cost £12 in advance or £15 on the day.

Full details about the show and how to purchase tickets can be found at:

[www.mgandtriumphsparesday.co.uk](http://www.mgandtriumphsparesday.co.uk)

### **COBWEB SPIN 2025** **INCORPORATING "DRIVE IT DAY"** **SUNDAY 27TH APRIL**

# Tracing the history of a Dorset classic

If you are researching the early history of a Bournemouth or Dorset-registered classic car (be it an MG or any other marque) then one of the first places you should start the search is the Dorset History Centre at Bridport Road, Dorchester according to classic car journalist and multiple classic car owner **Kim Henson** who explains more ...

If your pre-1980s classic car was originally registered in Bournemouth or indeed Dorset, the History Centre still holds registers pertaining to the car's original first registration. This can be handy for dating purposes, or to find out a bit more about your car's history

Dorset History Centre holds records of both the Dorset and Bournemouth Borough Motor Taxation and Licensing Departments.

These collections include registers for vehicles. The registers vary in detail after 1920, but often provide the registration mark; surname of the owner; address (usually just the town); supplying garage or dealer; make of vehicle; and class of licence (i.e. private or goods).

Motor taxation departments also created index cards, which may include further information about a vehicle, such as the chassis number.

They hold most of the index cards for Dorset, but the cards for Bournemouth have not been deposited here, and it is unlikely that they have survived.

If they can trace the vehicle you are interested in, they can provide you with a certified paper copy of each entry for the cost of £17.00 each, including postage and handling.

Electronic copies of each register entry (i.e. one for each vehicle) cost £6 per vehicle. There's also a small additional 'handling' fee.

Owners are also welcome to visit Dorset History Centre to view the original documents in their search room. Opening hours are Wednesday to Friday, 9am - 5pm, and the first Saturday of each month.

Access to original documents is by pre-booked appointment only. You can use your own camera to photograph the documents, a permit costs £5 per session.

If you do choose to view original archive material, you will need an Archives Card. This is a single archive reader's ticket which gives you access to original archive material held in archives across the UK. It is free of charge, and valid for five years.

History hunters are recommended to start their search by registering online before your visit at [www.archivescard.com](http://www.archivescard.com)

To complete your registration, you will need to bring two official documents, one of which shows your current address and signature - a driving license, passport or utility bill are all ideal documents.

Full details can be found on the Dorset council website at: [www.dorsetcouncil.gov.uk/dorsethistorycentre](http://www.dorsetcouncil.gov.uk/dorsethistorycentre) or you can try [www.dorsetcouncil.gov.uk/libraries-history-culture/dorset-history-centre/doingyour-research/copying-services](http://www.dorsetcouncil.gov.uk/libraries-history-culture/dorset-history-centre/doingyour-research/copying-services)

Alternatively, you can telephone 01305 250550 or email: [archives@dorsetcouncil.gov.uk](mailto:archives@dorsetcouncil.gov.uk)

The lady that responded to my enquiry was Anna Wrayford, history centre assistant, Dorset History Centre (tel: 01305 250550), although I didn't actually speak to Anna as we corresponded by e-mail: [archives@dorsetcouncil.gov.uk](mailto:archives@dorsetcouncil.gov.uk)

I found that she was very helpful and the process easy and it took a few days to receive the copy documents, but well worth the wait. More information can be found on Dorset Archive's website: [www.dorsetcouncil.gov.uk/dorsethistorycentre](http://www.dorsetcouncil.gov.uk/dorsethistorycentre)

As some of you may know, I have several cars that were registered with Bournemouth registrations, and I enquired about all of them - here are the fascinating results.

Alas they couldn't help me with my Morris Ital estate, registered in January 1983 - I think that by then the records were no longer kept.

However, I discovered that 'Pru' my Austin A30 (PRU 818) was first sold, on 01 February 1955, to a Mr Langley, via Males Garage. I had never heard of them - does anyone else know who or where they were, I wonder?

From the register copies I also found out that my A50 (SEL 971) was first sold from Parkstone Motor Company on 19 September 1955, and that son Anthony's A30 'Archie', (UEL 972) was old from the same garage, on 17 January 1957.

Meanwhile my A50 (TLJ 458) was sold from Huxhams on 18 May 1956, while my wife Elaine's A35 'Snowflake' (XRU 539) was sold from Imperial Motors based in Bournemouth on 19 December 1958.

I also discovered my A55 Cambridge Mark II (1393 EL), bought by my mum and dad as the family car in 1964, was originally sold from Imperial Motors on 18 July 1959.

This makes it one of the very first of the 'Farina' style A55 Cambridges, and it has many features unique to the earliest examples (such as a vestigial 'Flying A' on the bonnet, different doors and wipers).

I also checked on my first car, a 1959 Reliant Regal Mark V sidevalve (183 AEL) which I bought in 1969 and wish I still had it (sold in 1970 after buying 'Pru').

By coincidence it was sold just nine days before, on 9 July 1959. It was sold from Marsh and Fry.

Overall, I am very pleased that I sent off for this information, just nice to have a bit more history for each of my locally-registered cars.

# Mixed fortunes for MGs in classic sale

Classic and modern MGs suffered differing fates at the most recent SWVA Classic Vehicle sale at Holton Heath.

Of the total of 81 lots in the auction 17 remained unsold, mainly the higher priced entries including two of the MGs in the Autumn sale.

The top price paid for an MG was the £10,200 for an all red 1952 TD (Lot 52) with 73,134 miles indicated (see below).

This USA import and right-hand drive conversion had been modestly estimated at £9,000, even so someone got a bargain.

From the usual collection of MGBs, a 1972 GT finished in Harvest Gold with a black leather interior (Lot 45) just reached its lower estimate of £4,500 as did (Lot 39), a 1978 red MGB that topped its pre-sale estimate by £500.

Finding a new home for £4,000 was a 1976 MGBGT in British Racing Green (Lot 36) which had been the subject of a major rebuild between 2001-2004.

There was disappointment that an attractive 1950 Y Type saloon (Lot 42) pictured above, finished in an eye-catching two-tone Turquoise and Cream only made £3,700.

The youngest MG in the catalogue, a Triple Black 2003 TF135 (Lot19) sold for £700 despite being shy of its book estimate showing that TF prices are slipping somewhat, certainly at this time of the year.

Among the entries that failed to sell were a pretty 1937 TA (Lot 74) in Primrose Yellow which was short of its £17,000 reserve, while short of its modest £13,000 reserve was a 62,000-mile 1968 MGCGT (Lot 55) in popular Old English White - paintwork imperfections may have put off serious bidders.
