# Chairman's Chat - January 2025

Firstly, may I wish everyone a Happy New Year (even if this newsletter is appearing in your in-box in December) and hope that you are looking forward to another busy 12 months with Bournemouth and Poole MGOC.

Your committee is already working hard on preparing a busy programme of activities for club members ranging from club night talks to the seasonal road runs, regional car shows and weekends away.

Hopefully the weather will be favourable this year - so many of last year's events were cancelled or severely hampered by inclement conditions - and allow us to get our classic and modern MGs out on the road.

As announced last month we are planning to take part in several local fetes and fayres; these were felt to be more popular among members as they offer a variety of attractions and things to do compared to traditional classic car only shows.

If you know of any events which aren't included on our diary (see the listing in this newsletter or on the 1020 website) please let me know.

## CHRISTMAS TOY DRIVE

Before we leave 2024 I would like to thank everyone who contributed to our annual appeal on behalf of the Salvation Army which was raising funds to provide toys for disadvantaged children in our towns and villages.

Through your generosity we collected the magnificent sum of £800 which was used to brighten up Christmas Day for hundreds of the most vulnerable children.

## FAREWELL LEANNE

I was saddened to receive an email just before Christmas informing me that Leanne Giddings was leaving her position at Macmillan Caring Locally and taking up a new job working for Select World Travel based in Canford Cliffs.

The club has known Leanne for many years, initially in her fund-raising role for Dorset and Somerset Air Ambulance and then at Macmillan Caring Locally - our two nominated charities.

"It has been a real privilege and pleasure working with you all during my time at the charity and thank you for your outstanding level of support," said Leanne.

We wish her well in her new venture and look forward to working with the new fundraising director Lin Sharp.

## ANNUAL SUBS

The committee has decided to hold the annual club membership fee at £10 for the coming year (one of the few things in life not costing more) - hopefully everyone agrees it is great value for the events and activities that we are able to offer members each year.

Treasurer Ursula Bonner will be taking your £10 at this month's club night and membership secretary Patricia Lodge will be handing out your 2025 membership card.

A reminder: if you can't make it to a club night (where you will miss a lot of fun) and require your membership card in the post you need to add an extra £1 to your internet payment to cover the cost of postage and packing.

## NEWSLETTER ON THE WEBSITE

If you need to refer to anything that appears in any issue of the monthly 1020 Newsletter you can now find them all on the club website ([www.1020mg.org.uk](http://www.1020mg.org.uk)).

There is a dedicated page on the site that has all the newsletters produced in 2024 - this will be updated month by month so if you want to check on any details this is a quick and easy way to do so. The site also has a diary page list with lots of automotive related events for the whole year.

# January club night - Skittles Challenge

This month we will have the perfect way for club members to work off those extra pounds gained during the Christmas festivities - our annual skittles challenge on Monday 06 January.

It will be just 1020 club members taking part and there will be a prize for the person who scores the most points during the evening - and if there is time we will hold a round of killer.

As well as burning off some energy, club members will be able to sign up for the Winter Road Run and Pub Lunch (Sunday 16 February) and if not already done you can pay your 2025 annual membership fee.

Reminder that the evening will also include the monthly raffle draw (which helps to pay for the room hire) - prizes are always welcome, please hand them to Jackie Cherrett.

## Book now for the 2025 Winter Road Run

Places can still be secured for the first 1020 seasonal road run of the coming new year - the Winter Road Run and Pub Lunch on Sunday 16 February 2025.

The route (which should take under two hours to complete) has been devised by new committee member Alistair Reid and starts, as usual, at Hamworthy Sports Club and will finish locally at the St Peter's Finger pub at Lytchett Minster for a pre-booked Sunday roast.

Entry for the run (which includes a route book and rally plaque) is £5 per car and all its occupants. For those who want to join us for lunch at the finish there is a £10 per head meal deposit which will be refunded in cash on the day.

The pub is offering a choice of roasts: beef (£19.25), chicken (£18.25) and pork (£18.25) with a vegetarian alternative. Desserts can be selected on the day.

The full cost of the meal (mains, desserts and any drinks) is payable direct to the pub on the day.

Entry forms will be available at the January and February club nights from either Adrian Mullins or Pip Bonner - alternatively, a form can be obtained by emailing Pip at: [pip@1020mg.org.uk](mailto:pip@1020mg.org.uk)

A form also appears on the diary page entry for the event on the 1020 website ([www.1020mg.org.uk](http://www.1020mg.org.uk)).

Completed forms should be returned to Pip Bonner and payments made to Ursula Bonner (payment details are on the entry form).

The closing date for entries is Monday 03 February (that month's club night) - any cancellations after this date will result in the loss of the meal deposit as we must confirm numbers and food choices with the pub the following day.

If the weather is inclement, MGs are not compulsory so keep your classic MG in the warm and dry and bring an ordinary road car - it should still be a fun day.

## Annual membership subs now due

The annual 1020 membership subscription fee is now due for all 1020 club members - the committee has decided to hold the amount at £10 per household for the coming year - all subscriptions (no matter when you joined the club) are due in January.

Treasurer Ursula Bonner will be taking your £10 at the start of club nights (cash or credit card payments please) and membership secretary Patricia Lodge will be handing out the 2025 membership cards which have once again been kindly sponsored by Phoenix Classic Cars.

The membership fee provides everyone with an electronic version of the monthly club newsletter while the membership card can be used to obtain various discounts at our trade partners - see the back page of this newsletter.

A round robin email will be going out to remind everyone and to tell them how you can pay by bank transfer if they are unable to make a meeting - alternatively, you can contact Ursula for the bank details on email [ursula@1020mg.org.uk](mailto:ursula@1020mg.org.uk)

An additional £1 is charged if you need your membership card sent in the post.

# Salvation Army toy drive success

Club members raised the magnificent sum of £800 for the local Salvation Army Christmas Appeal which was providing toys for disadvantaged children across the Bournemouth, Christchurch and Poole conurbation.

The total was raised from the Festival Hamper Draw at the Christmas lunch, combined with the proceeds of the December club night raffle and personal cash donations.

In the region of 5,000 toys were distributed to needy families during the festive season.

On receiving our donation Major James Hill, corps officer for the Winton branch of the Salvation Army, commented: "You and your members are so kind, and once again, we thank you for your kind and generous donation."

## Cricket St Thomas Convoy Run

For those club members who are planning to attend the big regional MGOC weekend gathering at the Warner's Cricket St Thomas Hotel in May (see full page advert in this newsletter) we are organising a club convoy run on the Friday from Hamworthy Sports Club to Cricket St Thomas with a lunch stop.

Full details on the road run will be announced so keep reading future issues of this newsletter.

If you have booked in for the Cricket St Thomas event (remember booking deposits are required by 20 February 2025) - let Pip Bonner know if you would like to be included on the convoy run and lunch.

## Cotswold Caper 2025

Club members who attended this year's Cotswold Caper, the annual charity event organised by Gloucestershire MGOC and those who read the report in this newsletter and are interested in taking part in 2025, should note that the date for the 19th Cotswold Caper is Sunday 06 July.

The event will be starting and finishing at Tewkesbury Rugby Club, The Moats, Gander Lane, Tewkesbury, GL20 5PG and includes a scenic drive through the Cotswolds.

The entry fee for the 2025 Cotswold Caper is £30 per car and includes a car plaque and rally guide. In addition, bacon rolls with a drink can be pre-ordered for £6 per person.

The 2024 Caper raised a total £10,000 for Charlie's Community Support; the 2025 event proceeds will be donated to Watershed RDA, which provides riding for the disabled ([www.watershedrda.co.uk](http://www.watershedrda.co.uk)).

More details can be found at: [www.glosmgoc.co.uk](http://www.glosmgoc.co.uk) or via email: [caper.admin@glosmgoc.co.uk](mailto:caper.admin@glosmgoc.co.uk)

## More to See with Exeter MGOC

Exeter MGOC hosts its annual More to See event on Sunday 11 May 2025 and this year the run (which is restricted to 80 cars) will take in parts of Devon and Somerset.

The day will start and finish at the Cullompton Rugby Club, Stafford Park, Knowle Lane, Cullompton EX15 1PZ, which is 1.5 miles from Junction 28 of the M5.

Entry fee is £33 for a car and two occupants or £30 for a car and driver - this includes a rally plaque, route guide book, tea and coffee at the start and a cream tea at the finish.

For further information and an entry form contact:

# Dartmoor Weekender 2025

Following the success of last year's 1020 long weekend away to take part in the Cotswold Caper, organiser Adrian Mullins has created another outing for 2025 - this time to take part in the Tamar Valley MGOC People and Places Run.

As well as being part of the official run, Adrian has created a four-day event (05 to 08 September 2025) that includes three nights accommodation, an additional road run for 1020 members only and evening meals.

The weekend is based around the Tamar Valley region of Devon just outside Plymouth and is based for the three nights at the Moorland Hotel near the village of Wotter.

It is a three-star hotel with Trip Advisor giving it 4.5 out of 5 (685 reviews); it sits on the quiet southern slopes of Dartmoor National Park and is 20 minutes from the centre of Plymouth. It has views across the South Hams to the sea (see below).

The Moorland Hotel is ideal for touring this beautiful part of South Devon. There are many National Trust properties close by, and the Eden Project is a pleasant hour's drive away.

The hotel is also offering the option of a three-course evening meal for £27 per person (again a negotiated price). They can do vegetarian and Gluten free alternatives if needed.

Adrian has negotiated a special price of £95 per night for a double room Bed and Breakfast (rooms normally about £105 plus £10 for breakfast). Singles £75. The hotel has confirmed if people want longer stays this rate will apply.

The itinerary starts with travelling from Bournemouth to Wotter for the first overnight at the Moorland Hotel. On Saturday Adrian is planning a local road run that uses the Tamar Ferry into south east Cornwall to see Kingsand and Cawsand, the spectacular Whitsand Bay and from there back to the hotel via Looe or Bodmin Moor and Tavistock or via the Tamar Bridge.

Sunday starts with travelling to the start of the Tamar Valley MGOC People and Places Run which is open to all ages of MG and to non-MGs.

The start and finish point has yet to be announced but should be within a short distance of the hotel and is likely to cost participants £30 per car.

The route will be between 70 and 100 miles and 1020 members will then continue back to the hotel for dinner and overnight stay.

On the Monday participants are free to return to Bournemouth at their leisure or to stay longer in Devon.

Several club members have already put their names down for the weekend - anyone else who wishes to take part has only a few days to let Adrian know as the discounted hotel price is only open until 31 December and places on the Tamar Run are very limited and need to be booked early.

A non-refundable deposit of £50 is required by the hotel (below) to book a room for the three nights - you need to book direct to the hotel not 1020 - quoting "Mullins MG" party.

Full details, including the bank details to make your hotel deposit can be obtained from Adrian (Reminder he needs to know by Tuesday 31 December) at email: [adrianm@1020mg.org.uk](mailto:adrianm@1020mg.org.uk)

## MG HS named Best Family SUV

MG Motor UK rounded off a successful 12 months with the new MG HS Petrol being crowned Best Family SUV at the cinch Car of The Year Awards 2024.

Adding to the success, the new MG HS Plug-in Hybrid (PHEV) was named runner-up in the Best Hybrid category.

Sam Sheehan, motoring editor for cinch, noted: "Put simply, it represents arguably the best value for money of any car from any segment. At £25,000 from new, it offers proper SUV practicality, but for crossover money. It drives nicely too."

The MG HS range notched total sales of 28,595 units for the brand's flagship SUV in 2024, helping the model secure seventh place in the overall UK Total Industry Volume (TIV) rankings.

# Festive cheer at 1020 Christmas Lunch

Fifty-nine club members sat down for the 1020 Christmas lunch at the Bridge House Hotel at Longham and enjoyed a traditional roast lunch with all the trimmings followed by a selection of desserts.

During the meal Adrian Mullins set a short seasonal quiz which had most people scratching their heads - however the winning table managed a total of 15 correct answers out of a maximum of 25.

The draw for the bumper festive hamper, supplied by Wendy Brooks, was as popular as ever and raised £280 towards the Salvation Army Christmas Appeal. It was won by Janet (see below) and Michael Riley who had to pack their MGF very carefully to get everything into the boot.

The runner-up prize of a bottle of sparkling English wine was won by Jim Forrester and the mystery prize by Colin Sexton.

The meal proved such a success that everyone voted to book in for 2025 - the date will be Sunday 07 December.

# Flaming Ukes play the classics

Last month's club night featured musical entertainment from nine members of the Flaming Ukes group who combined festive tunes with favourite standards.

Their extensive repertoire ranged from Southern Blues to Glam Rock and hits from pop royalty such as the Beatles, Queen and Paloma Faith - who knew the ukulele had such a range!

For those whose only previous knowledge of the ukulele was black and white footage of George Formby, the band included just one of his best known tunes - 'I'm Leaning on a Lamp Post'.

The evening also featured a bumper raffle - thanks to everyone who brought along a prize.

## New Forest Run 25th Anniversary

Our close neighbours at Southampton and New Forest MGOC have announced details for their New Forest Run which takes place on Sunday 01 June 2025 - this will be their 25th Anniversary Run so they are hoping to make it a memorable event.

The start and finish point is the same on this occasion and is at a new location, The Exbury Club, which is not to be confused with Exbury Gardens. This was once the Cricket Club of Exbury and is located beyond Exbury Gardens on the road to Lepe (and was passed by those on the 1020 Spring Run last year).

The run will cover approximately 70 miles of beautiful countryside, wildlife, peace and tranquillity. Entry fee is £27 per car which includes your route book, rally plate and finishers plaque. The entry is limited to 200 cars.

Cooked refreshments will be available at both the start and the finish; you will be required to pre-order all cooked food on the entry form and pre-pay along with your entry fee. Tea and cakes will also be served in the Pavilion during the afternoon with no pre-ordering required.

As in previous years the surplus from the day will be split between two local charities and further details will be available in the route book on the day.

For those in the area on Saturday, the organisers will be holding a skittles match at The Huntsman Pub, Brockenhurst, SO42 7RH - match will start at 7:30pm and you can book directly with the pub if you require to eat there. To book online go to: <https://www.thehunsmannofbrockenhurst.com/>

Further information including an entry form can be found and downloaded at: [www.1009mg.org.uk/new-forest-run-2025](http://www.1009mg.org.uk/new-forest-run-2025)

# Can you identify this hard-top?

Club member Terry Trickett is hoping that a fellow MGB owner may be able to shed some light on the unusual hard top he acquired when he purchased his car in April 2022.

Pictures of the car with the hard-top attached are illustrated on this page.

Terry says that the hard top comes in four sections and he has only recently fitted it for the first time this winter (see attached). On a recent trip to Phoenix Classic Cars they said they had never seen this type of roof before - so does anyone out there have more information?

He explains that the two forward roof panels with the square glass panels clip together and are partly held in place by attaching to the windscreen using the same points as for the fabric folding roof.

The next panel is held in place using the same three bolt holes that hold the folding roof in place, then the rear glass panel bolts to this section.

Having carried out his own research on the internet and by asking the local MG specialists, Terry says that he has been unable to find any information about the roof but would like to know more about it.

If you think you can shed any light on this let Chris Adamson know and he will pass the details on and publish them in a future issue of this newsletter. We would all like to know more.

If you have a question or problem you think other members in the club might be able to answer then let Chris Adamson know and we will see if we can assist.

## Practical Classics Restoration Show - 21-23 March 2025

The Practical Classics Classic Car and Restoration Show is set to take place on the weekend of 21 to 23 March 2025 at the National Exhibition Centre on the outskirts of Birmingham.

The popular show is the event to visit if you are looking to reignite your passion for cars, finish a restoration project, purchase a classic, or simply want to reminisce with family and friends over the beautiful completed classic cars on display.

The event brings together over 1,300 classic cars with more than 160 car clubs representing a wide variety of marques and models plus the promise of more than 250 exhibitors and autojumblers including restoration companies, services providers and product suppliers.

There is also a classic auction, a Barn Find display, interviews on stage with motoring celebrities, car competitions and practical workshops featuring skills such as lead loading, panel work, paint polishing and how to remove defects.

The show also features the Lancaster Insurance Pride of Ownership where visitors can vote for their favourite car.

Organisers, Practical Classics, will have four interactive areas: a Workshop, Staff Car Sagas, Greatest Hits and Your Shout stage.

Tickets can be purchased in advance from £28.50 or obtained on-the-door from £31.50. See: [www.necrestorationshow.com](http://www.necrestorationshow.com)
